Terms and Conditions: To claim your 10% discount please complete this voucher and take this page into your local ATS Euromaster Service Centre. The 10% discount is taken from the retail price on tyres, exhausts, brakes, shock absorbers, oil, batteries and MOT only. Any fitting, additional products or associated services will be charged at full price where required. Offer valid until 31st March 2009. This offer may not be used in conjunction with any other offer and is subject to stock availability. MOTs not available at all centres, please check with your local centre. Offer is for retail customers only. Terms and conditions apply. Data Protection: All data provided will be held in accordance with the Data Protection Act 1998. ATS Euromaster may hold your personal information for administration and marketing purposes and may pass it to companies in the same group as ATS Euromaster or to carefully selected third parties who may use it for similar purposes. These companies and third parties along with ATS Euromaster may keep your information on record for a reasonable period and may contact you in the future on behalf of ATS Euromaster or themselves about our or their services or offers. If you do not consent to us using your personal information in this way, then please tick this box  If you wish to be kept informed of services or offers from ATS Euromaster or carefully selected third parties by email, please tick here
